

A close-up view of a modern wooden shelving unit. The shelves are made of light-colored wood with a vertical grain. A perforated metal panel is mounted on the top shelf. A small white bowl sits on the bottom shelf.

A close-up view of a wooden cabinet with a metal mesh front panel. On top of the cabinet sits a small white vase and a green bowl. To the right, a dark wooden chair with a woven seat is partially visible.

# 300 € / NUIT

# Chambre deluxe

A close-up view of a modern wooden cabinet or shelving unit. The front panels are made of light-colored wood with a distinctive circular perforation pattern. A horizontal strip of warm white LED lights is embedded along the bottom edge of the cabinet, casting a soft glow. To the left, a portion of a framed artwork is visible, showing a geometric design with concentric arcs and vertical lines. To the right, a small, round, orange pendant lamp hangs from the ceiling.
